

## REGULATIONS OF THE RACE NUMBER DRAW FOR THE 2026 BEHOBIA-SAN SEBASTIAN

Registration for the race number draw for the 61st edition of the Behobia-San Sebastian will be open for 8 days, **from 14 April 2026 at 12:00 noon until 22 April at 11:59 p.m.**

The draw **will include only the remaining race numbers from the initial entry phase**, and will be conducted before a notary on **29 April 2026**.

After the draw, the **entries must be officially formalised between 5 May at 10:00 a.m. and 11 May at 11:59 p.m.**

Those places assigned in the draw which have **not been taken up** will then be added to the **Waiting List**.

### Draw Terms and Conditions

- A maximum of 3 runners may be registered per request.
- Registration for the draw requires payment of a **non-reimbursable fee of 1 Euro** per person registered. The money raised will be assigned in full to the Behobia-San Sebastian Charitable Projects or Race Numbers.
- Details to be provided when registering each runner: full name, date of birth, ID card or passport number, email address and telephone number. These details must be those of the person wishing to take part in the race and not yet entered. **NONE** of the details indicated upon registration for the draw can subsequently be changed when entering for the race. Duplicate personal details and email addresses are not permitted.

- **VERY IMPORTANT: Each runner must register with ONE SINGLE FUNCTIONAL EMAIL ADDRESS, since each registered participant who has duly made payment will be sent a message by email, requesting confirmation to take part in the draw. Confirmation may be given up until 23 April at 11:59 p.m.**
- In the event of any breach of these indications, the registration will be cancelled.
- **All confirmed requests will be assigned a number for the draw from 24 April onwards** (having first checked that the person to whom the request corresponds is not already entered for the race).
- Assignment of the numbers for the draw will take place by order of registration (date and time), assigning numbers in sequence from lowest to highest. Joint registrations performed as one single process will receive consecutive draw numbers.
- **An email will be sent to each confirmed registration request with their participation number.** These emails will be sent out from 24 April onwards. The process may take some days to complete, given the large number to be sent.
- After the draw, the list of numbers drawn will be posted on the website [www.behobia-sansebastian.com](http://www.behobia-sansebastian.com) and **a personalised email** will be sent to each of those lucky enough to be chosen, with **a localisation code to be used in order to formalise their entry.**
- **Entry formalisation** (requiring full entry and payment) must take place **between 5 May at 10:00 a.m. and 11 May at 11:59 p.m.** Entries may be performed by **anyone** (purchaser), who can enter as many runners as they wish in one single process, **requiring the localisation code associated with each runner.**

- **Those places** assigned in the draw which have **not been taken up** will be transferred to the **Waiting List**. The applicants on this List who are ultimately assigned a place will be informed by email, sending them the localisation code to be used in their entry process, and the dates when this can be formalised.

Except as indicated here, the sale of race numbers and participation in the race will be subject to the terms of the [Race Regulations](#).
