Pirata

a Start (Behobia)

The starting line, on the shore of Bidasoa river. Completely flat.

b Irun

The race crosses the city center, and the streets are crowded. There is a small climb of 200m.

c Ventas

Small climb again at the first part -300m- and then you will find small climbs and descents.

d Gaintzurizketa High

A ascension of 2.5 km. The slope profile changes gradually.

e Lintzirin

Km. 10

Commercial area of Lintzirin, half-way point. Very different without traffic. You continue descending a little more.

f Errenteria

Totally flat (ATTENTION! various raised zebra-crossings). On the boardwalk of Errenteria lots of spectators cheering.

g Capuchinos

The last, very tough metres to Capuchinos and then the descent to Pasaia with beautiful views of the bay.

h Pasajes Ancho

Small ups and downs of Buenavista (entrance to San Sebastian) until you are nearly level with the harbour.

i Miracruz High

Here you will find a great atmosphere. This is the end of the hill and the start of the downhill straight towards Ategorrieta, towards San Sebastian.

j Gros

The last stretch arriving at the beach Zurriola, taking Navarre Avenue, which rises slightly at the beginning of it. Spectators invade the streets to the finish line.

k Arrival (Donostia - San Sebastián)

The final straight. The Avenue Zurriola. The Kursaal Congress Palace. The Kursaal bridge and the Boulevard. A great atmosphere, full of spectators, music and the finish line.
